I hereby make application for utility services from the City of Napavine, Washington, subject to all of the provisions of city ordinances now existing or hereafter adopted, copies of which are available for inspection during normal business hours at City Hall and agree to pay all charges as provided for therein and that the obligations of the parties are covered thereby. This application shall automatically grant the City of Napavine the right to assess the property for performances of the City's services. I hereby certify that I am the legal property owner and have the authority to establish utility services at the above service location. I understand the City of Napavine shall have a lien against the property in accordance with RCW 35.21 and RCW 35.67 of charges which shall be the obligation of the owner of the property, its heirs, successors and assigns, until the same is paid in full. The City may enforce the lien by shutting off and not restoring water, and/or sewer until all delinquent and unpaid charges are paid in full. The City of Napavine may also employ other legal remedies such as collection agencies, small claims court and superior court to collect the unpaid amount from the property owner.
